

Rotary Screw Compressors

Industrial 175 PSI

- Oil flooded rotary screw, continuous duty, industrial air compressor.
- High efficient Nema t-frame, C-face, open drip proof motor, 230/460 Volt.
- 230/460 volt full voltage magnetic starter with 110 volt controls, Nema 1 enclosure, fused transformer and three-phase overload protection with external reset.
- Oversize multistage filter with replaceable element.
- Full modulation, solenoid controlled for smooth control and lowest possible no load power.
- ASME coded 200 psig Oil Tank, minimum pressure/ check valve, relief valve, high efficiency replaceable oil separator element, fluid level sight indicator and vented fill cap.
- Air-cooled with air-cooled after-cooler, spin on oil filter and factory filled with Palasyn 45 synthetic lubricoolant.
