## Welper® MIG Plier #1423-1428

- Designed for hammering, wire cutting, insulator bushing removal/installation and drawing out wire
- Perfect for removal and installation of contact tips and nozzles

**\$379**

## MAG-TOOL™ Medium Magnetic Holder #1423-1425

- MAG-TOOL™ will hold both sheet and tube at angles of 45°, 90° and 135°

**\$1349**

**NEW**

## Luxur™ Safety Glasses #1423-4177

- Shade #5 one-piece lens
- Adjustable templates
- Meets or exceeds ANSI 287.1 and various international standards

**\$1389**

## Plasma Cutting System C35A #1-1635-1

**\$1,21200**

- Inverter-based system operates on standard 230V AC single phase, 50 or 60 Hz, input power
- Starts without high-frequency so it won't interfere with controls or computers
- Provides adjustable current from 15 to 35 amps
- Cut capacity 3/8" (10mm)
- Cuts most metals including stainless steel, aluminum, mild-steel, copper or brass

LEASE FOR AS LOW AS **\$6473** PER MONTH FOR 24 MONTHS

## Portable Tote Torch Outfit #0384-0990

- For the professional when the job requires in-the-field repair, light-duty repair or on-the-spot maintenance work
- Patented tote design features an ergonomic carry handle, small footprint and built-in storage compartments

**\$46999**

## Heavy-Duty Torch Outfit #0384-2652

- RF 350 heavy duty regulators
- WH 350FC-FS Torch handle w/ built-in flash back arrestors and check valves
- CA 350-FS Cutting attachment
- 2-UM Welding nozzle
- Series 1 cutting tip
- 25' x 1/4" "R" grade hose
- Welds up to 1/8" (3" with optional nozzles)
- Cuts up to 3/4" (5" with optional tips)

**\$24999**

## Auto Darkening Helmet

- #41001001 - Carbon
- #41001002 - Eagle
- #41001003 - Chopper
- #41001004 - Skulls & Fire

- Solar powered
- Variable shades 9 - 13
- Grinding mode
- Adjustable sensitivity
- 2 Sensors
- Hard hat adaptable
- 2-Year warranty
- Lightweight @ 15.9 oz.

YOUR CHOICE

**\$8959**

**\$73299**

## FP135 MIG Welding System #1444-0346

- Comes complete with flow gauge gas regulator for MIG welding
- Current range 20-135 AMP
- Operates on standard 120V service
- 4 Voltage settings
- Welds up to 1/4"
- Package includes MIG welding cart, welding helmet, chipping hammer and wire brush
